AND THIS IS WHAT THEY SAY ABOUT IT...

"I subscribed for the very first issue of Luxury Briefing, but it never occurred to me that I would become so addicted. It is informative as opposed to opinionated, and I find this deeply refreshing. When all the journals are put on my desk, I read Luxury Briefing first."

Gordon Campbell Gray, Owner, One Aldwych

"Luxury Briefing is a radar for both the major movements and small blips that make a difference to our business. It is a vital navigation tool." **Susy Korb, Creative Director, Harry Winston**

"It's got all the industry news you are longing to hear but never have the chance to gather."

Anya Hindmarch, Owner, Anya Hindmarch

"Luxury Briefing is an indispensable publication for anybody who takes the luxury goods business seriously. It is only one of its kind and I am continuously impressed by the high quality of impartial reporting and inspirational commentary. It covers the essentials of the global markets, while bringing new angles and interesting stories into the equation."

Lars von Bennisen, CEO, Alice Temperley

"Luxury Briefing is an indispensable publication for anybody interested in the prestige and quality market."

Leonard A Lauder, Chairman, Estée Lauder

"Luxury Briefing is a must-read for anyone who wants to keep up with the latest trends and the industry news. It is visionary in its focus – looking at the luxury sector from many fresh perspectives including insights of start-ups, the wisdom of established players and the prophecies of cool-hunters."

Natalie Massenet, founder, Net-a-Porter.com

"Subscribing to Luxury Briefing is not a luxury, it is a necessity."

Sir Tim Bell, Chairman, Lowe Bell

"I have read Luxury Briefing since issue one in 1996 – it is an indispensable source of information on the luxury sector. An added bonus is access to the conferences and seminars, which are also of the highest calibre and which provide excellent networking opportunities."

Sir Anthony O'Reilly, Chairman, Waterford Wedgwood

"It is inspirational."

Nadja Swarovski, Director, Swarovski

"Luxury Briefing is always a pleasure to read, it is well edited and filled only with interesting and relevant information and comment. Whilst primarily aimed at the luxury market, it is also relevant to the wider world outside."

Sir Terence Conran, Chairman, The Conran Group
